

Credit Analyst

Whether you have earned your Bachelor's Degree in a Business/Finance field or will be finishing school in December of 2019, a rewarding career opportunity exists for you with WBD! We are seeking a full-time entry level Credit Analyst to start now or next January. Primary responsibilities include: evaluate and analyze business financial information including spreading business financial statements; prepare detailed descriptions of company background, management and collateral for financial and credit review; obtain and evaluate borrower's credit worthiness; complete government forms and compile required information and documents for preparation of loan application packages.

A successful candidate will have strong analytical and communication skills and be a team player. Prior experience is not required, but welcome applicants with 1-2 years' credit analyst experience, considering applicable experience for the position. WBD offers attractive professional development paths into mid and upper level Credit Analyst or Loan Officer positions for motivated individuals.

WBD is one of the nation's most active Certified Development Companies, a not-for-profit organization assisting small businesses in gaining access to capital in order to grow their businesses, provide job opportunities, and inspire their communities. Since 1982, WBD has provided financing for over 2,000 businesses in Wisconsin. WBD fosters a "CREATE" environment: one that promotes Collaboration, Respect, Excellence, Accountability, Teamwork, and the highest Ethical standards.

If you are interested in joining the WBD team, e-mail your resume and cover letter to hr@wbd.org.
