

2018 Seminar Series and
Customer Appreciation Events
– Register Today!

Our annual Seminar Series will visit 14 communities in February and March. An excellent chance to meet and network with many local lenders in your area, these seminars will provide an overview of SBA lending, the SBA 504 loan program and what is different for 2018 with a new SBA S.O.P. and related rule changes.

Get comfortable with the 504 program and network with lenders working to grow businesses in your community. Learn from the WBD team that was #1 in WI, #1 in the Region (MN, WI, IL OH, MI) and #8 in the US in SBA 504 financing in Fiscal 2017.

We are also continuing with our traveling WBD Customer Appreciation Happy Hours. These informal events are an opportunity to recognize our shared successes. A great place to network with others involved in local economic development too.

Did we mention we are buying...

Find an event in your area below and find links to registration in the Breaking News section of our homepage at wbd.org!
