

WBD, Inc. is the top SBA 504 loan company in the entire Midwest and one of the nation's leading SBA Certified Development Companies. WBD is a nonprofit organization with a mission to grow businesses, create jobs and build communities. In pursuit of this mission WBD reinvests in other economic development activities.

As an affiliate, the WBD Service Company (WBDSC) was created to provide direct service to lenders who wish to be involved in SBA lending. Since the 7(a) program is the largest program administered by the SBA and can be a great tool for both lenders and borrowers, WBDSC has focused its efforts on helping remove barriers for program use.

Today WBDSC offers a full spectrum of services designed to accommodate every institutions' needs from full-service SBA 7(a) packaging and loan support to 7(a) staff training and development.
